Paul,

I just had a chance to find this. your email said there are some surveys and sites. It took me a while, but that is true. There are surveys and sites, but no surveys of that proposed expansion area. If at all possible, I would recommend a survey. Can you coordinate with the BLM, or is it all private?

Matt

Hi Janice,

The operator submitted an amendment with the attached map. They are looking to disturb the Southwest area. Please review. Thanks and have a wonderful day!
